VII SEQT SUMMER SCHOOL "MEDICINAL CHEMISTRY AND CHEMICAL BIOLOGY IN DRUG DISCOVERY: THE PHARMA PERSPECTIVE"

SCHOLARSHIPS FOR YOUNG RESEARCHERS

The Spanish Society of Medicinal Chemistry (SEQT) offers a limited number of fellowships to facilitate the attendance at the **VII SEQT Summer School "Medicinal Chemistry and Chemical Biology in Drug Discovery: The Pharma Perspective"**.

This summer course is going to be held on July 19-21, 2022, at the Barcelona Science Park in Barcelona (Spain).

Scholarships will cover expenses related to registration and accommodation.

Requirements

- Scholarships are awarded to young researcher members of SEQT (predoctoral and postdoctoral applicants).
- Birth date restrictions will not be applied, but postdoctoral applicants must have obtained their PhD degree in the period 2018-2022.
- Abstract submission is mandatory for applicants.

Application Guidelines

A complete application must contain:

- Application letter approved by the supervisor of the research project.
- Motivation letter of your interest to assist to the Summer School.
- A curriculum vitae (following the template available at <http://www.seqt.org/es/convocatorias/becas/>) and if applicable, copy of PhD title.
- Abstract of scientific communication (following the template available at <http://www.seqt.org/es/convocatorias/becas/>)).

Deadline

Complete applications should be submitted by **April 29, 2022** to SEQT Secretariat by email (seqt@igm.csic.es). Scholarship award notifications will be sent to applicants by **May 20, 2022**.
