

# SOCIEDAD ESPAÑOLA DE QUÍMICA TERAPÉUTICA

## VIII SEQT SUMMER SCHOOL "MEDICINAL CHEMISTRY IN DRUG DISCOVERY: THE PHARMA PERSPECTIVE"

### SCHOLARSHIPS FOR YOUNG RESEARCHERS

The Spanish Society of Medicinal Chemistry (SEQT) offers a limited number of fellowships to facilitate the attendance at the **VIII SEQT Summer School "Medicinal Chemistry in Drug Discovery: The Pharma Perspective"** co-organized with GalChimia.

This summer course is one of the EFMC Certified School and is going to be held on June 19-21, 2023, in Santiago de Compostela.

Scholarships will cover expenses related to the full registration, including accommodation for the VIII Summer School and the IX Young Research Symposium (June 22, 2023, Santiago de Compostela). More information about both events in <https://www.seqt.org/en/events/>

#### Requirements

- Scholarships are awarded to young researcher members of SEQT, or members of one of the EFMC Adhering Organizations (predoctoral and postdoctoral applicants).
- Birth date restrictions will not be applied, but postdoctoral applicants must have obtained their PhD degree in the period 2019-2023.
- Abstract submission to both events is mandatory for applicants.

#### Application Guidelines

A complete application must contain:

- Application letter approved by the supervisor of the research project.
- Motivation letter of your interest to assist to the Summer School.
- A curriculum vitae (following the template available at <http://www.seqt.org/es/convocatorias/becas/>) and if applicable, copy of PhD title.
- Abstract of scientific communication

#### Deadline

Complete applications should be submitted by **April 27, 2023** to SEQT Secretariat by email ([seqt@iqm.csic.es](mailto:seqt@iqm.csic.es)). Scholarship award notifications will be sent to applicants by **May 10, 2023**.
