IX SEQT SUMMER SCHOOL
"MEDICINAL CHEMISTRY IN DRUG DISCOVERY: THE PHARMA PERSPECTIVE"

SCHOLARSHIPS FOR YOUNG RESEARCHERS

The Spanish Society of Medicinal Chemistry (SEQT) offers a limited number of fellowships to facilitate the attendance at the **IX SEQT Summer School "Medicinal Chemistry in Drug Discovery: The Pharma Perspective" co-organized with Faes Farma**.

This summer course is one of the EFMC Certified School and is going to be held on July 15-17, 2025, in Bilbao.

Scholarships will cover expenses related to the full registration, including accommodation in a share room (15-17 of july). For applicants who reside in Bilbao, the scholarship will cover only the registration fees. More information about the event in https://www.seqt.org/en/events/

Requirements

- Scholarships are awarded to young researcher members of SEQT, or members of one of the EFMC Adhering Organizations (predoctoral and postdoctoral applicants).
- Birth date restrictions will not be applied, but postdoctoral applicants must have obtained their PhD degree in the period 2021-2025.
- Abstract submission is mandatory for applicants.

Application Guidelines
A complete application must contain:

- Application letter approved by the supervisor of the research project.
- Motivation letter of your interest to assist to the Summer School.
- A curriculum vitae (following the template available at http://www.seqt.org/es/convocatorias/becas/)) and if applicable, copy of PhD title.
- Abstract of scientific communication
- Fill the application form that can be found in the link.

Deadline
Complete applications should be submitted by **May 26, 2025**, at **16 h**, to SEQT Secretariat by email (seqt@iqm.csic.es).
