X EUROPEAN SEQT SUMMER SCHOOL

"MEDICINAL CHEMISTRY IN DRUG DISCOVERY: THE PHARMA PERSPECTIVE"

SCHOLARSHIPS FOR YOUNG RESEARCHERS

The Spanish Society of Medicinal Chemistry (SEQT) offers a limited number of fellowships to facilitate the attendance at the **X SEQT Summer School "Medicinal Chemistry in Drug Discovery: The Pharma Perspective"** co-organized with Lilly.

This summer course is an EFMC Certified School and will be held in Alcobendas (Madrid) from July 1 to 3, 2026.

Scholarships will cover expenses related to the full registration, including accommodation in a share room (July 1-3). For applicants who reside in Madrid, the scholarship will cover only the registration fees. More information about the event in <https://www.seqt.org/en/events/>

Requirements

- Scholarships are awarded to young researcher members of SEQT, or members of one of the EFMC Adhering Organizations (predoctoral and postdoctoral applicants).
- Birth date restrictions will not be applied, but postdoctoral applicants must have obtained their PhD degree in the period 2022-2026.
- Abstract submission is mandatory for applicants.

Application Guidelines

A complete application must include the following documents:

- Application letter signed and approved by the supervisor of the research project, following the template available at <http://www.seqt.org/es/convocatorias/becas/> or <https://www.seqt.org/en/calls/grants/>.
- Curriculum vitae, prepared according to the template available at <http://www.seqt.org/es/convocatorias/becas/> or <https://www.seqt.org/en/calls/grants/>. If applicable, copy of PhD title.
- Abstract of the scientific communication, named: Surname_Name_Abstract.
- Fill the application form available at: <https://forms.gle/7yD4Pfl2Mm3ua3qq8>.

Applications that do not include all necessary documentation or do not meet all the above requirements will not be considered.

Deadline

Complete applications should be submitted by **May 1, 2026**, at **16 h**, to SEQT Secretariat by email (seqt@iqm.csic.es).
