The **EFMC Young Medicinal Chemist Symposium** is an initiative of the European Federation for Medicinal Chemistry (EFMC). This Symposium, organised in connection with EFMC-ISMC 2020, has the aim of:

- creating a network of young European investigators in Medicinal Chemistry
- stimulating young European investigators in Medicinal Chemistry to share their scientific work with peers and inspiring leaders in the field
- creating competition and excellence in Medicinal Chemistry within Europe by selecting the European Champion in Medicinal Chemistry

**PROGRAMME**

The Programme of the 7th EFMC Young Medicinal Chemist Symposium will include:

- opening and closing lectures by inspiring leaders in the field
- oral communications by invited prize winners from national young medicinal chemist meetings in Europe
- flash poster presentations selected from submitted abstracts
- a poster session open to any young researcher submitting an abstract
- prizes

An optional programme of soft-skills training sessions will be given by the EFMC-YSN (Young Scientists Network).
